+ EDITIONS LIMITED + FRAME DESIGNS

INDIANAPOLIS, INDIANA

Locally owned and operated since 1968, Editions Limited + Frame Designs has been a staple in the art community for over 50 years. Providing comprehensive corporate art consulting services, we have worked on both large and small projects throughout the United States with a diverse clientele in the corporate, hospitality, healthcare, education and real estate industries. We employ eleven team members, many with over 20 years of experience, therefore subcontractors are not required.

If it is a classic look or an up to date trend, Editions Limited + Frame Designs will guide you through the process of selecting the perfect art and framing for your space.

WBE certified in both the city of Indianapolis and the state of Indiana.

+ ART CONSULTING SERVICES

We work with any size budget, and guarantee that your experience with our services will surpass your expectations. We are passionately devoted to the arts and our main focus is developing a positive, lasting relationship with each of our clients.

IU HEALTH SAXONY HOSPITAL

FISHERS, INDIANA

\$190 million acute care hospital of 200,000 sq. ft.
42 bed hospital affiliated with Indiana University School of Medicine, one of the nations largest medical schools.
100,000 sq. ft. medical office building.

Nature images were selected based on themes (ecosystems) representing Indiana. Each piece was carefully selected through evidence based design practices to create a healing environment for patients and staff.

Collaborated with local artists to provide commissioned works for the main lobby/entrance of the hospital.

COMMUNITY SOUTH HOSPITAL

GREENWOOD, INDIANA

\$130 million expansion, 4 floors, 5 story patient tower.

Images were selected based on color pallet, subject matter, and healing process for patients. Site specific art placement included southern Indiana landscape scenes.

Worked with local arts council and community foundation on a “call out” to local / southern Indiana artists for original 2D and 3D art.

LAKELAND HEALTHCARE
ST. JOSEPH, MICHIGAN

New inpatient addition, 4 story with 96 private rooms, 360 short-term care beds.

Worked with local arts council to find a variety of local artists and mediums for the project, which included artist studio visits and multiple interviews with local artists.

Archival framing samples were proposed and approved by the hospital art committee and the interior designers.

Multiple budget adjustments required creative solutions to ensure optimal outcomes that exceeded client objectives.

Themed concepts were created by the Indiana based design firm that required Michigan related imagery for each floor based on Dunes, Lakes, Rivers, and Orchards.

Each work was carefully selected by theme through Evidence-based design practices to create a healing environment for patients and staff.
